Market Announcement

Space is still available in the U.S. pavilion at SIAL '86. SIAL, one of the largest international food shows in the world, will be held in the new Parc des Expositions - Nord exhibition facility in Paris, October 20-24, 1986. Food product manufacturers, processors, and sellers can take advantage of many services offered by FAS by participating in the SIAL show. These services include product label clearance, publicity and product promotion, no-worry product sample shipment to the show site, and a professionally managed U.S. pavilion at this important international show. For additional information contact:

FAS Circulars: Market Information For Agricultural Exporters

As an agricultural exporter, you need timely, reliable information on changing consumer preferences, needs of foreign buyers, and the supply and demand situation in countries around the world.

The Foreign Agricultural Service can provide that information in its commodity circulars.

World agricultural information and updates on special FAS export services for the food and agricultural trade all are available in these periodic circulars.

For a sample copy of these reports—which can supply you with the information you need to make sound business decisions—check the box indicated, fill out the address form and mail it today.

To subscribe: Indicate which publications you want. Send a check for the total amount payable to the Foreign Agricultural Service. Only checks on U.S. banks, cashier's checks, or international money orders will be accepted. NO REFUNDS CAN BE MADE.
